

Hood Cleaning Technician

Job Description

9301 SE Stanley Ave., Suite 300, Portland, OR 97222
Ph: 503-384-2232 Fax: 503-477-8733

Are you a self-proclaimed "night owl" that is punctual, trustworthy, and reliable?

Are you a hard-working individual who can follow the same routine at each job?

Silver Lining Hood Cleaners, Inc. of Portland, OR is looking to hire a Hood Cleaning Technician. No experience necessary, training will be provided. However, previous mechanical, electrical, HVAC, pressure washing, janitorial cleaning, or kitchen exhaust hood cleaning experience is a plus. Excellent job growth/advancement opportunities available with tiered pay raises through certification training, along with paid Health Insurance benefits, paid Sick Days, and Bonus Pay incentives. Performance-based annual evaluations with competitive wage increases.

This is primarily night work on Sunday through Thursday evenings with hours that vary, usually between 9:00p – 5:00a, when commercial kitchens are slow or closed. There are part-time and full-time positions available, starting at \$15 to \$17 per hour, D.O.E.

Technician must:

- Have a valid Driver's License with a minimum of 3 years driving experience
- Have own personal transportation to and from our central office in SE Portland
- Have a good driving record that passes our insurance company's requirements
- Have a working cell phone and respond promptly to all calls from management
- Be clean-cut with a professional appearance
- Be able to pass a pre-employment drug screening and criminal background check
- Be dependable; able to show up on time, read and follow instructions
- Be physically fit; able to climb ladders to gain rooftop access to commercial establishments, able to lift and carry 50 lbs. a minimum of 100 feet
- Have excellent attention to detail and work quickly and efficiently
- Be able to work flexible hours; nights, early mornings, and some weekends
- Be able to work safely in both hot, cold, and/or inclement weather
- Be able to complete work projects from start to finish with limited supervision
- Be fluent in English; able to communicate well with customers and other team members
- Be able to learn new procedures quickly to assist with the exhaust cleaning process

Job duties include:

- The set-up and take-down of equipment including: hanging plastic sheeting, mixing chemicals, setting up ladders, wet/dry vacuums, pre-sprayers, garden hoses, high pressure hoses, and wiping down of stainless steel hoods, etc. at all job locations
- Pre-scraping greasy buildup from affected areas of kitchen exhaust systems
- Pressure washing the interior of kitchen exhaust systems (fans, ducts, and hoods)
- Digital photography of all work performed at each job
- Independent completion of work projects with limited supervision
- Reporting mechanical deficiencies of customer and company equipment to management
- Maintaining the cleanliness of company tools, equipment, and vehicles each night

I certify that I have read and understand the job requirements listed above and meet them.
